Liverpool's Steadiness and Frost Damages in France Steady Wheat.

CESSATION OF LIQUIDATION A FACTOR

While Wheat Closes Higher, Corn, Oats and Provisions Are Lower—Hog Market Is Rather Weak.

CHICAGO, Jan. 19.—The cessation of liquidation was the main factor in a quiet market yesterday, market today, with the steadiness of Liverpool and frost damage to the French crop contributory influences. May closing by over yesterday. Corn closed 3¢ and oats 3¢ lower. Provisions closed unchanged to 7¢ lower.

With Liverpool firm and northwest receipts moderate, wheat opened firm, a shade over yesterday. May at 65¢ 65¢. The weakness of corn and oats and the additional reports of damage sold off to 63¢ over yesterday at 63¢. May closing 3¢ over yesterday at 63¢.

Primary receipts were 3¢ higher, bushels, compared with 18¢ 18¢. Minneapolis and Duluth reported 33¢ ears against 34¢ last week and 36¢ a year ago. Local receipts were thirty-three thousand bushels, compared with 34,000. New York reported twenty-four thousand loads taken for export, Atlanta port clearances in wheat 3¢ higher, oats 3¢ lower.

Corn was easily influenced by the assertion that the government report expected to be bullish, which was issued Saturday, the 18th, and which was not published in the report that it would not be published this month. Trade was quiet. There was no increase in country offerings and receipts were 3¢ lower. Corn and oats, however, demand was poor. May ranged from 63¢ to 65¢ and closed 3¢ lower yesterday at 63¢.

The unseasonableness of corn, combined with the expectation of the issuance Saturday of a government report discouraging to buyers, led to a weak market for the day.

One firm let out 500,000 bushels the bread thereby occasioned being helped by floor traders on the decline the market and began to recover.

The market was easy yesterday, the greater part of the session. The dull market, with little trade, was followed which was reflected in the previous pit. Following the early weakness the market became a little steeper, offerings falling to 63¢. The market hardened again.

May pork sold off from 70¢ to 69¢ and closed 5¢ lower yesterday at 69¢.
